

VILLAGE HARVEST

Something better starts here.

Dear Store Manager,

I would like to request that your store carry the Village Harvest Organic Benefit Blends. Three unique mixes of gluten free rice and grains filled with the nutrients your body craves. Each of these blends offers a distinctive combination of healthful goodness - Organic Protein Blend, Organic Antioxidant Blend and Organic Ancient Grain Blend.

I frequently shop at your store and would love to find Village Harvest in your rice and grains aisle. Please contact Village Harvest at info@villageharvestrice.com if you have any additional questions.
